Renewal of the Editorial Board of the Toho Journal of Medicine

Editor in Chief

Hiromasa Funato, MD, PhD

Dear readers and contributors,

I am honored to introduce myself as the new Editor in Chief of the Toho Journal of Medicine, the official Journal of the Medical Society of Toho University. The Journal publishes a variety of papers in the form of review articles, original research articles, short communications, case reports, data, or reports. It is the policy of the Journal to provide health professionals with texts and knowledge that are considered essential in the field of basic and clinical medical research. My vision for this journal is to foster a collaborative environment that encourages innovative intramural research and facilitates the dissemination of high-quality finding in basic and clinical medicine. I look forward to working closely with our editorial team, authors, and reviewers to achieve our shared goal of contributing to the field of medicine.

Sincerely,

The editorial board
